Preplanning Form

Funeral preplanning is one of the most loving and considerate actions you can take to spare your family additional stress at a difficult emotional time. You will be taking care of many of the details that will face your loved ones at the time of your passing.

We have developed this Three Step form as means for you to select the funeral package of your choice, finalize the details of your pre-planned funeral, and allow the creation of your own obituary.

Print and complete this form. Either fax it to us at 724-887-5301 or mail it to:
Ferguson Funeral Home
105 Spring Street
Scottsdale, PA 15683

We will contact you for any additional information and to arrange for payment.
